STRONG Again

It is what Mrs. Lucy Stovall, of Tilton, Ga., said after taking Kodol Dyspepsia Cure. Hundreds of other weak women are being restored to perfect health by this remedy. YOU may be well if you will take it. Indigestion causes nearly all the sickness that women have. It deprives the system of nourishment and the delicate organs peculiar to women suffer—weak, and become diseased.

Kodol Dyspepsia Cure

enables the stomach and digestive organs to digest and assimilate all of the wholesome food that may be eaten. It nourishes the body, and rebuilds the weak organs, restoring health and strength. Kodol cures indigestion, constipation, dyspepsia, sour risings, belching, heartburn and all stomach disorders.

KEEP YOUR HEAD UNCOVERED.

The Constant Wearing of a Hat Propagates Dandruff Germs.

There are many men who wear their hats practically all the time when awake, and are blessed with a heavy shock of hair; yet if the scalp of these same men once became infested with dandruff germs, the parasites would multiply all the quicker for lack of air. Baldness would ensue as the final result. Newb's Herpicide kills these germs and stimulates healthy hair to abundant growth. Herpicide is a pleasant hair dressing as well as a dandruff cure and contains not an atom of injurious substance. Sold by leading druggists. Send 30c. in stamps for sample to The Herpicide Co., Detroit, Mich.

Wounds

and scres of any kind, caused by any kind of accident, cuts, burns, scalds, bruises, sprains, etc., are best treated by the immediate application of

HAMLINS WIZARD OIL

This great, soothing, curative remedy relieves pain, reduces swelling and inflammation, and heals up all open wounds and sores. It is the one perfect, modern dressing, or treatment, for a wound. Its quick use will positively prevent blood poisoning. Always keep it at hand.

Says Mrs. Jessie Farris, of Elizabethtown, Ky.: "My little boy was badly burned on both legs, which were so drawn out of shape that he could not even crawl. I tried many remedies without relief, but finally Hamlin's Wizard Oil made a perfect cure, and he can now walk and run. We thought we should have to amputate both his legs, and feel that Hamlin's Wizard Oil saved his life." Price 50c and \$1.00.

Murders in Chicago.

Richard J. Ivens, the self-confessed murderer of Mrs. Franklin C. Hollister, in Chicago, was yesterday subjected to a severe examination by the police in the effort to obtain from him the names of his accomplices, it being thought possible that Mrs. Hollister was kept a prisoner part of the day. Ivens declared that he had no accomplices, and that he alone committed the crime. During the examination the aged father of Ivens sat in the room, with the tears streaming down his face, hoping that mitigation of his son's offense might be found in the fact that others were with him at the time the woman was killed. When the examination was concluded the old man asked his son: "Did you really do this alone?" "Yes; I did it alone," replied the son.

Two more murders were added Sunday night to the long list of crimes that has taken place in Chicago of late. The first victim was Anton Spychalski, who was attacked by two robbers at the corner of Washington Boulevard and Sangamon street. He showed fight, and one of them shot him through the body, inflicting a wound that caused death in two hours.

The second crime was committed at the intersection of May and Randolph streets, where Joseph Kane was attacked by bandits, who beat him so terribly about the head that his death ensued within a short time.

Protests loud and insistent came from Chicago pulpits against the lawless conditions which were held responsible for the murder of Mrs. Franklin C. Hollister. This crime, added to the killing of three other women within a few months and the murder of two men in the streets Thursday night, roused the ministers and congregations to demand better protection be given by the police to women.

Mayor Danne, who returned during the day from Denver, joined in the appeal, saying that the city needed more policemen. He declared it the duty of the council to provide the means for putting a large enough force of policemen out to cover the city thoroughly. This also was demanded by the First Methodist Church. Plans for a mass-meeting to compass this end were made by others.

Sorrow and anger mingled in the services at the Wesley Methodist Church, of which Mrs. Hollister was a member. Members of the choir in which she had sung could not sit in their seats before the congregation, but remained in the pews.

The Liberal Landslide.

The liberal landslide in England continues. Out of 76 contests yesterday the liberals and laborites together secured 62 seats. The liberals' gains yesterday show the surprising total of 42, while the unionists gained only 1 seat, that of Hastings.

The former Cabinet officers went down before the storm of liberal sentiment. Gerald Balfour, who was president of the local government board in the Balfour Cabinet, was defeated at Leeds by a majority of 1,069, and Walter Hume Long, ex chief secretary for Ireland, lost his seat for South Bristol, while Augustus Birrell, president of the board of education, defeated the unionist candidate at North Bristol.

Lord Hugh Cecil, leader of the conservative free-traders, was defeated at Greenwich, and T. Gibson Bowles, a unionist free-trader, lost at Kings Lynn, both being opposed by Chamberlainites.

Aside from the overwhelming gains by the liberals throughout the country, the immense majorities secured in the turn-over are causes of surprise to both sides.

The labor candidates are showing remarkable strength, the total gains of the labor party yesterday being seven, not including one socialist, W. Thorne, who, at Westham, defeated the unionist candidate, Sir J. G. Nutting, by a majority of 5,000.

The composition of the new Parliament up to the present is as follows:

Liberals, 95; unionists, 31; laborites, 17; nationalists, 18, and socialists, 1.

The total liberal gains number 64, the gains made by the laborites being classed among the liberals.

Twenty-one London districts voted yesterday. Out of these hitherto unionist strongholds the unionists succeeded in securing only five seats.

Three members of the new ministry were returned yesterday by strong majorities—Herbert John Gladstone, Secretary for Home Affairs; President of Board of Education Birrell and James Bryce, Chief Secretary for Ireland. The Attorney-General, Sir J. Lawson, also received a large majority.

The independent labor party has already secured more seats than it held in the previous House of Commons. The laborites won under the dual flag of "liberal" and "labor," and will be found ranged with the liberals on all labor questions.

Six more nationalists, including William H. Redmond, East Clare, and Sir Thomas Esmond, North Wexford, were returned unopposed, making the nationalists total eighteen.

Bent Her Double.

"I knew no one for four weeks when I was sick with typhoid and kidney trouble," writes Mrs. Annie Hunter, of Pittsburg, Pa., "and when I got better, although I had one of the best doctors I could get, I was bent double, and had to rest my hands on my knees when I walked. From this terrible affliction I was cured by Electric Bitters, which restored my health and strength, and now I can walk as straight as ever. They are simply wonderful." Guaranteed to cure, stomach, liver and kidney disorders, at E. S. Leadbeater & Sons' drug store, price 50c.

Stomach Troubles and Constipation.

"Chamberlain's Stomach and Liver Tablets are the best thing for stomach troubles and constipation I have ever sold," says J. R. Cullman, a druggist of Pottsville, Mich. They are easy to take and always give satisfaction. I tell my customers to try them and if not satisfactory to come back and get their money, but have never had a complaint." Everybody

in this part of the country has heard of the reputation of the

Choice, Plantation and Perfecto Cigars.

These goods have been on the market for years, which of itself is sufficient proof of their fine quality and excellence.

We have always used our best efforts to not only keep them up to the standard, but improve them at every opportunity by looking over the tobacco market and purchasing the very best. We do not consider the price; so we get what we want. We also take this opportunity of calling your attention to a new brand of cigars,

LA ROSICA

which we have just started to put on market. This is a clear Havana cigar, made of the finest Havana, and we guarantee it to be equal to any imported cigar made. We recommend this as a present to the most fastidious. All our popular brands can be had in small 25 boxes during the holidays.

Patrick Reprieved.

Albert T. Patrick, the New York lawyer convicted and awaiting execution in Sing Sing, N. Y., prison next week for the murder of William Maish Rice in New York city in September 1900, was reprieved yesterday afternoon by Gov. Higgins until March 19, a space of fifty-six days. This reprieve is granted for the purpose of giving Patrick's counsel time to bring before a trial court alleged newly discovered evidence. Its grant followed a hearing before the governor, and was in accordance with the request of former Senator David B. Hill and Judge William K. O'Leary, of counsel for Patrick, and with the full consent of District Attorney Jerome, who was present in person. Senator Hill came forth for the first time from his sick room after an illness of more than two months in order to attend the hearing and address the governor at considerable length.

Vassar Heiress Vanishes.

After an interview, in which she was confronted with certain facts, Kathryn Gray, "heiress" to \$500,000, graduate of Vassar College and daughter of the late Senator Asbury Gray, of Virginia, has disappeared from the home of T. W. Bausman, of Pittsburg. She has not been seen since late on Wednesday night. She had been treated by the Bausmans as a daughter, and Mrs. Bausman is very ill as a result of Miss Gray's disappearance. After Miss Gray had told thrilling stories about the Virginia fortune of which she had been deprived, Mr. Bausman induced her to retain a Pittsburg lawyer to look after her interests. She did so, giving the lawyer a check for \$150 on a local bank, which reported that she had but \$5 on deposit there, when she explained that an expected remittance had been delayed. In departing she took with her only the clothing she wore.

Perfection can only be attained in the physical by allowing Nature to appropriate and not dissipate her own resources. Cathartics gripe, weaken—disrupt, while DeWitt's Little Early Bitters simply expel all putrid matter and give, thus allowing the liver to resume normal activity. Good for the complexion. Sold by W. F. Creighton & Co., 401 King street.

CONTINUATION OF OUR

The first week's response demonstrates that nothing can add eloquence or force to the simple announcement of these established semi-annual events. The occasion is a general reduction undertaken in good faith to clear out our entire autumn and winter stock. For this week's selling we have added additional odd lots which are wonderful values.
